

Genomic Organization of blaKPC-2-carrying IncFII+IncR Plasmid (~131 kb)  
Linear Comparison Across 8 ST11 K. pneumoniae Isolates

Carbenapenemase  
Beta-lactamase  
Aminoglycoside resistance  
Quinolone resistance  
Macrolide resistance  
Phenicol resistance  
Trimethoprim resistance  
Other AMR  
Replication/Partition  
Conjugation/Transfer  
Transposase/IS element  
Integrase/Recombinase  
Hypothetical protein  
Other function
